

PRESS RELEASE

Nusa Dua, May 2017 – Vietura the artisan of anti-aging unveiled at the Sofitel Bali Nusa Dua Beach Resort, with a warm and elegant opening reception inviting its members and representatives of the island's hospitality, lifestyle and media industry. This momentous event marked the arrival of Bali's very first aesthetic, wellness and lifestyle clinic to open within the lush privacy of a luxury resort hotel.

The holistic treatments that Vietura offers are 100% non-invasive and non-surgical, emphasizing on anti-aging aspects and providing instant and long-lasting results. The aesthetic treatments focus on anti-aging, skin health, facial sculpting and body sculpting, with the latest trends in aesthetic and wellness treatments including no pain instant face-lifting, botox and face shaping, acne emergency rescue, fat freezing and same day slimming, unique state of the art colonics treatments, medical full body detoxification and hangover remedy. Personalized IV nutrition, lifestyle and wellness coaching is offered to ensure that when results are achieved they are long lasting. All these treatments help to reveal the 'new you', while you enjoy the luxury services and surrounds of the Sofitel Bali Nusa Dua.
